Customs code	7612908000
EAN	3321360023452

Color : Grey

Material : Aluminum

Secondary material : Stainless steel

Specifications :

- Construction crate designed for secure transportation and storage of products.
- Can be mounted on work platforms, trucks, or pick-ups thanks to the M10 thread on each corner.
- Features riveted non-slip and foldable stainless steel handles.
- Stainless steel locks with padlock closure (sold separately).
- The lid is secured with straps or gas struts depending on the model.
- Resistant to rust and water due to a rubber sealing gasket on the frame.
