BAL215RBEXT

Extension for high visibility beacon kit with expandable round plastic barrier

Extension for high-visibility bollard and round extendable barrier. It includes 1 bollard and a red/white round extendable barrier. The bollard has Class 2 reflective stripes and a weighted rubber base. The 6 kg weight of the bollard ensures perfect stability. Slots at 3 different heights in all 4 directions. Bollard made of polypropylene. The barrier can lock at any length.
