Technical sheet

BAR6010GAL

High resistance protection barrier - 1000x600 - galvanized steel

Protective barrier designed to shield fragile or hazardous installations from impacts. Made of steel coated with epoxy paint. Phosphatization before painting increases corrosion resistance and improves paint adhesion. Available in various sizes. Fasteners not included. Do not install in saline or hydrocarbon environments.

 Customs code
 7326909890

 EAN
 3321360052896

Color: Grey

Material: Galvanized steel

Specifications:

- Protective barrier designed to safeguard fragile or hazardous installations from impacts.
- Epoxy paint finish.
- Phosphating before painting.
- Fasteners not included.
- Do not install in saline or hydrocarbon environments.
