Cable bridge 2 channels 35x38mm

cable bridge for safeguarding cables and hoses during temporary use. Made of rubber with a yellow thermoplastic cover for better visibility, it has 2 channels measuring 38x35mm. It can withstand vehicles weighing up to 30 tonnes but is not suitable for use with forklifts equipped with polyamide or rubber wheels. It's easily portable, interlocks easily with its reversed dovetail tails, and can be secured with 4 attachment points. It can be complemented with angles, intersections, and end caps if needed. Additional adhesive can be used if necessary. Available in various sizes and channel numbers.

Customs code 4016999790
EAN 3321360025852

Color : Black/Yellow

Material : Rubber

Secondary material : Thermoplastic

Specifications :

- Cable and hose protector for temporary use.
- Suitable for vehicles up to 30 tons but not recommended for forklift traffic with polyamide or rubber wheels.
