

Technical sheet

CPE402

Ending for CP402

cable bridge end cap designed to safeguard cables and hoses during temporary use. Made of rubber, it has 4 channels measuring 35x35mm. It can withstand vehicles weighing up to 30 tonnes but is not recommended for use with forklifts equipped with polyamide or rubber wheels. It easily interlocks with its reversed dovetail tails and can be secured with 2 attachment points. Additional adhesive can be used if necessary.

Customs code	4016999790
EAN	3321360018083

Color : Black

Material : Rubber

Specifications :

- cable bridge end cap designed for temporary use.
- Suitable for vehicles up to 30 tons but not recommended for forklift traffic with polyamide or rubber wheels.
