CPR1002

Corner 30° for cable protector CP1002

Corner cable bridge designed for temporary cable and hose protection. Made of rubber with a yellow thermoplastic cover for better visibility, it has 5 channels measuring 34x34mm. It can withstand vehicles weighing up to 30 tonnes but is not recommended for use with forklifts equipped with polyamide or rubber wheels. It can be easily transported and interlocked thanks to its handle and reversed dovetail tails, and can be secured with 2 attachment points. Additional adhesive can be used if necessary. It's available in various sizes and channel numbers.

Customs code 4016999790
EAN 3321360025920
