Speedbump 1830 X 300 X H55Mm - Black/Yellow-1830x300x55

A high-visibility monobloc speed bump is ideal for reducing speed on private property roads. With a height of 55mm, it effectively reduces traffic speed to 30 km/h. It features reflective stripes and reflectors for enhanced visibility, as well as two 30mm diameter cable channels. It can withstand vehicles weighing up to 40 tons and is made of rubber. Avoid prolonged contact with hydrocarbons. End caps and fasteners are available as optional accessories.

Customs code 4016999790
EAN 3321369984792

Color : Black/Yellow
