

Technical sheet

END75N

End cap for EASYSPEED speed bump - 75mm

A high-visibility monobloc speed bump end cap, ideal for reducing speed on private property roads. With a height of 75 mm, it effectively reduces traffic speed to 15 km/h. It features reflective stripes and reflectors for enhanced visibility, as well as two 30mm diameter cable channels. It can withstand vehicles weighing up to 40 tons and is made of rubber. Avoid prolonged contact with hydrocarbons. The speed bump is sold separately.

Customs code

4016999790

EAN

3321369984822

Color : Black

Material : Rubber

Specifications :

- End cap for high-visibility one-piece speed bump, ideal for reducing speed on private property roads.
- Reduces traffic speed to 30 km/h or 15 km/h depending on the heights.
