Expanding plastic barrier - heavy duty-maxi 2200x1000

Extendable fence barrier up to 2.4 meters, ideal for quickly marking and securing an area. Made of polypropylene, it's easy to transport and store thanks to its carrying handle. The posts can be filled with 5 liters of water on each side for added stability. It has reflective stripes for good nighttime visibility and an open/closed locking system for enhanced security. Also available in black and yellow.
