PPC500LOVB

Foldable plastic sign post with weighted base Green/white

Premium bollard for easily delineating access, whether temporary or permanent. The bollard is foldable and in kit form for space-saving storage. Weighted base with concrete. Made of ABS and polypropylene. It has two rings, one with holes and the other with hooks, for attaching chains in four possible directions and a threaded head for attaching information panels. Available in several colors. Chains and information panels are sold separately.
