Set of 1 self assembly plastic post (PPC 40 RB) - red / white

An extension for premium bollards with a 2-meter chain, designed to easily mark off access points, whether temporarily or permanently. It comes with a concrete-weighted base for stability and is made of ABS and polypropylene. The extension has two rings, one with holes and the other with hooks, for hanging chains in four possible directions, as well as a threaded top for attaching information signs. It is available in various colors, and the information panels are sold separately.
