

Technical sheet

PPCKITCH1N

Set of 2 posts PPC101N black + 2m black chain

A set of 2 premium bollards with 2 meters of chain, designed for easily marking off access points, whether temporarily or permanently. These bollards are made of ABS and polypropylene and come with two rings, one with holes and the other with hooks, for hanging chains in four possible directions. They also feature a threaded top for attaching information signs. They are available in various colors, and the information panels are sold separately.
