Traffic cone rubber loaded base 20x20cm - 1 tape 10cm class 2- H 300

Weighted base construction cone is ideal for marking and securing a construction or work zone and indicating obstacles. Thanks to their weighted base made of thermoplastic rubber, the cones do not tip over and remain in place. Has 1 Class 2 reflective strip of 10cm, EN 13422 visible up to 300m. Made of PVC. Additional options include adding a weighted base, stickers, and a strap winder. Available in 4 different heights.
