RMPTROLLEY

Combined foldable trolley -Handtruck 390X640Xht900/120mm -alu+PP

A multifunctional trolley that easily converts from trolley mode to a hand truck (diable) mode. It makes transporting loads effortless with two ergonomic handles, a 25cm deck, two swivel wheels, and a non-slip platform and pad. The structure is made of aluminum, and the platform is constructed from polypropylene. It can be fully folded for convenient storage. The maximum load capacity in hand truck mode is 68 kg, and in trolley mode, it can carry up to 137 kg.

Customs code	8716800000
EAN	3321367900077

Color : Noir/Bleu
