Foldable Alu hand trucks for stairs -120 kgs

A 3-wheel handling hand truck designed for transporting heavy and bulky loads, even on stairs. It features 3 wheels made of polypropylene with TPR (Thermoplastic Rubber) tires, each with a diameter of 100mm on each side. The frame is constructed from aluminum, and it has a deck measuring 385x270mm. The maximum load capacity on a flat surface is 60 kg, while the maximum load capacity when used on stairs is 35 kg. This hand truck is ideal for maneuvering loads in various situations, including staircases.

Customs code	8716800000
EAN	3321360024541

Color : Grey/blue

Material : Aluminum

Specifications :

- 3-wheel hand truck for transporting heavy and bulky loads, even on stairs.
- Easy to store.
- Suitable for use on stairs.
- Polypropylene wheels with TPR tread, 100mm in diameter on each side.
- Maximum load capacity on flat surfaces: 80kg.
- Maximum load capacity on stairs: 35kg.
