Black guiding post - 4m grey No entry logo strap

Post with a strap designed to guide the public and regulate traffic. The post has a weighted base and a 4-meter-long, 5 cm wide strap. The strap itself features a braking and anti-panic system that automatically detaches the strap in case of an emergency. The top of the post can accommodate up to 6 different straps and has a threaded hole for attaching an information panel. For indoor use only. A wide range of options is available, including information panels, wall-mounted receivers, and strap customization.
