### Black guiding post to embed with grey belt-length 2m-H 98cm x Ø 50

Post with a strap used to guide the public and regulate traffic. The post has a fixed base and a 2-meter-long, 5 cm wide strap. The strap itself has a braking and anti-panic system that automatically releases the strap in case of an emergency. The top of the post can accommodate up to 6 different straps and has a threaded hole for attaching an information panel. For indoor use only. A wide range of options is available, including information panels, wall receivers, and strap customization.
