Chrome fix guiding post - black belt waterproof

Post with a belt for guiding the public and regulating traffic. The post has a fixed base and a belt that is 10 meters long and 5 centimeters wide. The belt itself has a braking and anti-panic system that automatically releases the belt in case of an emergency. The top of the post can accommodate up to 3 different belts and has a threaded hole for attaching an information panel. For indoor use only. A wide range of options is available, including information panels, wall receivers, and belt customization.
