Chromed outdoor guiding post heavy base with wheels - 10m black strap

Outdoor post with a strap designed to guide the public and regulate traffic. The post has a weighted base and a 10-meter-long, 5 cm wide tear-resistant strap. The strap features a braking and anti-panic system that automatically detaches the strap in case of an emergency. The top of the post can accommodate up to 3 different straps and has a threaded hole for attaching an information panel. Suitable for outdoor use thanks to its waterproof casing. A wide range of options is available, including information panels, wall-mounted receivers, and strap customization.

Customs code 7326909890
