Chromed outdoor guiding post heavy base with wheels - 100mm x 10m black/yellow strap

Outdoor post with a strap for guiding the public and regulating traffic. The post has a weighted base and a strap that is 10 meters long and 10 centimeters wide. The strap is tear-resistant and equipped with a braking and anti-panic system that automatically releases the strap in case of an emergency. The top of the post can accommodate up to 3 different straps and has a threaded hole for attaching an information panel. Suitable for outdoor use thanks to its waterproof casing. A wide range of options is available, including information panels, wall receivers, and strap customization.
