RXLO2SRRE

Outdoor post with a belt for guiding the public and regulating traffic. The post has a heavy base with wheels and a 2-meter long, 5 cm wide belt. The belt itself has a braking and panic-release system that automatically releases the belt in case of an emergency. The top of the post can accommodate up to 3 different belts and has a threaded hole for attaching an information panel. Suitable for outdoor use thanks to its waterproof casing. A wide range of options is available: information panel, wall receiver, and belt customization.
