STOPOSTSHAPE

Foldable parking post with protective structure

Foldable parking post for blocking vehicle access. The post is operated using an 11 mm diameter fire brigade key to allow access for emergency services. Made of steel coated with epoxy paint. Features a cast iron base. Supplied with 2 rings for attaching a chain and fixings. A self-supporting structure to be fixed to the ground protects the post from passing vehicles. It has 6 reflectors for good visibility and fixings.

Customs code	73269098
EAN	3321360109552

Color : Black

Material : Steel
