Flexible bollard - to embed -H1200mm-d.114mm-grey

Gray memory-shape flexible post with a 114mm diameter and a flat head to avoid damaging vehicles. In case of impact, the post deforms to return to its original shape without breaking the seal or the fastening. Resistant to tearing, pulling, and breaking. Used for separating and protecting different areas in the city and parking lots. Height: 1000mm. To be directly fixed into the ground. Fastening not included.

Customs code	3926909790
EAN	3321360025234

Color : Gray (RAL7016)

Material : Polyurethane

Specifications :

- Flexible memory-shaped bollard to avoid damaging vehicles.
- In case of impact, the bollard deforms and then returns to its original shape without breaking the fastening or anchoring.
- Resistant to tearing, pulling, and breaking.
- Various options are available, including different heads, PMR compliance, fixable or anchorable, removable box, with or without reflective lints, and more.
